

Total Leg Care Venous & Arterial Disease

Berks Cardiologists, Ltd. Dr. Troy Trayer

We are here to assist with patient concerns relating to leg pain, fatigue, swelling, edema, and ulcers. We are a comprehensive office that is able to offer patients diagnostic testing and treatment of their arterial and venous disease with percutaneous interventions of their arterial disease in the hospital and radiofrequency ablation of varicose venous disease in the office.

Please don't hesitate to contact me with any questions that may arise.
